

"This is only the scope of work for the project. For more information, interested parties should contact Procurement at purchasing@stpgov.org to ensure receipt of a full bid package, to be listed as a plan holder and to ensure any addenda to the bid package are received."

This is a 2017 Capital Drainage Improvement Project. The Contractor must provide all labor, equipment, tools, testing, and materials necessary to improve the Belair Pond Walking Path by removing/replacing pipe, installing temporary silt fencing, excavation and embankment, shoulder material, and 3" asphalt wearing course, as specified, along Belair Pond #1 (P09AW01019) Section 19 Township 8 Range 14E. This work involves potential pollution and/or environmental exposures for which the Contractor is responsible and shall comply with all federal, state or other laws that exist pertaining to same, including appropriate remediation as is necessary.
