This is just the Scope of Work. Please email the Procurement Department at purchasing@stpgov.org for more information.

Scope of Services

The Parish requires a Contractor to provide all labor and materials to provide and install 400 lf of 6’ chain link fence, 485 lf of 8’ chain link fence and two (2) 12’ x 8’ gates. The work shall include three (3) strand, galvanized steel barbwire along gates and both 6’ and 8’ fences. The Contractor shall also provide and install three (3) corner posts, four (4) end posts and all necessary field posts set 10’ off center and the bracing required to complete project. The fence is to have a bar running continuously along the top of the fence and tension wire at the bottom. All materials shall be of commercial grade and galvanized per LA DOTD Standard Plans and specifications (2006 edition), Section 1010 and installed per LA DOTD Standard Plans and Specifications, Section 705. All debris shall be removed at no direct pay.

The barn is located at 84307 Hwy. 437, Covington, La.

All measurements are approximate and are to be verified by the Contractor.

All work shall include all necessary signage, barricades and flagmen per LA DOTD Standard Specifications (2006 Edition) for Roads and Bridges, Section 713 and mobilization per Section 727.

The Contractor will have thirty (30) days to complete the project from the date stated in the Notice to Proceed issued by the Parish.

A Quote Guarantee is not required for this project.

Any work that may be reasonably inferred from the specifications or drawings as being required to produce the intended result shall be supplied whether or not it is specifically called for. Work, materials or equipment described herein which so applied to this project are covered by a well-known technical meaning or specification shall be deemed to be governed by such recognized standards unless specifically excluded.
