October 5, 2017

Please find the following addendum to the below mentioned BID.

Addendum No.: 2

**Bid#:** 330-00-17-67-2

**Project Name:** Tammany Trace Crack Repair

**Bid Due Date:** October 10, 2017

**GENERAL INFORMATION:**

**Question #1:** On page 302-1, Part 2: Materials, of the specifications for the Class II Base Course you state that Sand Clay Gravel is allowed for this item. However the LADOTD only allows Cement Treated Sand Clay Gravel. Please clarify whether it is your intention that just sand clay gravel be used or that it must be cement treated.

**Answer #1:** Cement treated is not required.
