ST. TAMMANY PARISH PLANNING COMMISSION

RESOLUTION

RESOLUTION PLANNING COMMISSION SERIES NO. _____

TITLE: A RESOLUTION AUTHORIZING PROVIDENT REALTY ADVISORS, INC., TO ENTER PARISH RIGHT-OF-WAY.

SUB-TITLE: A RESOLUTION GRANTING PERMISSION TO PROVIDENT REALTY ADVISORS, INC., 5400 LBJ FREEWAY, SUITE 975, DALLAS, TX 75240 TO ENTER PARISH RIGHT-OF-WAY, SPECIFICALLY THE UNOPENED PORTION PALMETTO GREENS DRIVE, FOR THE PURPOSE OF GAINING ACCESS TO PROPERTY. WARD 3 DISTRICT 5.

NOW, THEREFORE, BE IT RESOLVED, by the St. Tammany Parish Planning Commission that it hereby grants permission to the aforementioned petitioner to enter Parish right-of-way for the aforementioned purposes, subject to the following conditions:

1. That the improvements that will be undertaken will be at the sole expense of the petitioner.
2. That the petitioner agrees to accept full responsibility, financial and all other, for the damage and /or relocation of utilities currently located within Parish right-of-way.
3. That the petitioner shall submit plans prepared by a licensed engineer to the Department of Engineering for review and approval. The drainage and road design with soil borings must meet the concrete road standards as established under the "Subdivision Regulatory Ordinance." The Parish's engineer may require additional off-site work to minimize the potential impact of the proposed construction with special emphasis regarding drainage. The plans must include sewerage and water systems, where applicable. Upon approval of plans and specifications by the Director of Engineering, the petitioner must notify the Department of Engineering prior to the commencement of any activity.
4. Any developer/applicant proposing to develop lots within a "dormant subdivision" or "subdivision of Record" must submit for review and approval of the Parish Engineer a drainage plan that meets the detention requirements of Subdivision Regulatory Ordinance o. 499. Where applicable, such developer/applicant shall be entitled to claim a credit toward drainage impact fees due the Parish under the authority of the "St. Tammany Parish Drainage Impact Fee Ordinance" (Sec. 1-009.00 Part IV (B) (8) and, where applicable, shall be entitled to claim credit/reimbursement from any drainage impact fees that have been paid into the "Drainage Impact Fee Escrow Account" by the owner or owners of lots that are not owned by the developer/applicant but would be receiving the benefits of said storage requirements.
5. That should the petitioner commence work thereon, petitioner by such act acquiesces and acknowledges thereby that he will hold this Parish, its officials, agents, servants, and employees free and harmless from any liability or responsibility whatsoever in connection with the construction project. Petitioner will provide copy of Liability Insurance Policy, including the naming of the Parish as an insured party. The insurance will remain in effect until the Parish takes over the maintenance.
6. That nothing herein shall be construed as a revocation of the dedication of the aforementioned right of way.

7. That no maintenance nor financial nor material nor assistance shall be provided by the Parish for the project nor the maintenance thereof, except for the inspection of the plans and specifications by the Department of Engineering to insure the construction complies with Parish specifications.

8. That the petitioner post a Performance Letter of Credit in the amount of \$51,000 for a period of six (6) months for the construction of roadway.

9. That the petitioner agree to post a Warranty Obligation upon completion of the project.

10. That the petitioner and any assignees submit a Hold Harmless Agreement in connection with the construction of the project and utilization of the access by (an) individual (s) until the time that the access is upgraded to Parish standards and accepted into the Parish's Selective Road Maintenance System.

11. That the petitioner and any assignees agree to provide maintenance for this access at his/her own expense until such time as the Parish agrees to accept this portion of right of way into the Parish's Selective Road Maintenance System.

12. Petitioner acknowledges and accepts full responsibility for the installation and maintenance of drainage, specifically from the on-site mechanical sewerage treatment plants, on the public right of way he/she seeks permission to enter.

13. That the petitioner agrees to provide the Parish with the necessary drainage and utility servitude along the roadways being constructed if required.

14. That the petitioner shall submit a copy of the current owner's deed.

15. That the petitioner shall produce proof that the right of way is dedicated to the Parish.

16. That the petitioner shall produce from the U.S. Army Corps of Engineers either: a written statement that the road is not in a wetland area, within the meaning of Section 404 of the Federal "Clean Water Act" or a Section 404 Permit under the Federal "Clean Water Act" authorizing the opening of the portion of the right of way in question.

17. That the petitioner shall submit a site plan of Petitioner's property and the unopened right of way.

18. Permission is valid for the issuance of building permits according to current zoning only, issued to AS INDICATED ABOVE, WARD 3, DISTRICT 5.

19. That the petitioner submit as-built drawings certifying that road is constructed within the Parish right of way.

20.
