STAFF COMMENTS:

The petitioner is requesting to change the zoning classification from A-2 Suburban District to A-2 Suburban District and PUD Planned Unit Development Overlay. The site is located on the east of Louisiana Highway 434, and on the north side of Dixie Ranch Fire Tower Road, Lacombe. The 2025 Future Land Use Plan designates the site to be used and managed for the production of marketable wood products and recreational uses.

The applicant is proposing to rezone the 125.65-acre property from A-2 Suburban District to A-2 Suburban District and PUD Planned Unit Development Overlay. A concurrent application has been submitted (ZC07-07-041) for a Major Amendment to the Tamanend Planned Unit Development. The reason for the requested zoning change is to provide a source of fill for the existing 848-acre multi-use PUD south of Dixie Ranch Fire Tower Road. As the rezoning request will not result in the increase of density and the additional land will be utilized for excavation and greenspace for the existing PUD, staff is not opposed.
