THIS AGREEMENT (the “Agreement”) is entered into between the LOUISIANA HOUSING CORPORATION (the “Corporation” or “LHC”), a public body corporate and politic constituting an instrumentality of the State of Louisiana, with its principal place of business located at 2415 Quail Drive, Baton Rouge, Louisiana 70808, and the St. Tammany Parish CAA (“Contractor”) with its principal place of business at P. O. Box 1609, Slidell, LA 70458.

In consideration of the mutual covenants and agreements set forth below and for other good and valuable consideration, the sufficiency of which is acknowledged by the parties hereto, the Corporation and the Contractor agree as follows:

I. CONTRACTOR’S SCOPE OF WORK AND OBLIGATIONS

A. Scope of Work

1. Contractor shall be responsible for the implementation of the provision of Low-Income Home Energy Assistance Program (“LIHEAP”) assistance to eligible participants residing in the State of Louisiana, pursuant to Title 42 of the United States Code (USC) Section 8621 et seq. (the Low-Income Home Energy Assistance Act of 1981, as amended) and the LHC Act.

2. The Contractor shall perform all obligations under the Agreement, and provide all services, materials, equipment, supplies, facilities and professional and technical personnel, needed to carry out all Contractor obligations under the Agreement, in accordance with sound management practices, federal statutes, LHC regulations and requirements and this Agreement.

3. Unless otherwise specified in the LHC’s LIHEAP State Plan or elsewhere in this Agreement, Contractor shall ensure that services and activities are made available to the low-income community throughout the State of Louisiana throughout the entire term of this Agreement. Contractor shall ensure that the highest level of assistance will be furnished to those households which have the lowest incomes and the highest energy costs or needs in relation to income, and that the services and activities funded by this Agreement shall also meet all other assurances specified at 42 U.S.C. §8624, et seq.

4. In accordance with Attachment A (Allocation Charts), attached hereto and incorporated herein by reference, the following services shall be provided by the Contractor under this Agreement as allocated in said attachment during Heating, Cooling, and Crisis Assistance Periods: conducting outreach activities, intake of applications, determining eligibility for crisis and/or non-crisis services, providing active energy conservation education where indicated in the LIHEAP Service Delivery Guide and adhering to performance and reporting requirements.
B. When applicable, Contractor shall provide copies of any sub-contracts to the LHC within thirty (30) days of execution of subcontractor agreement. Each contract should include the name of the subcontractor entity, its address, telephone number, contact person, contract amount, and description of each subcontractor activity to be performed under the contract.

C. **Provision for Program Requirements.** LHC shall provide Contractor with specific program requirements which shall be binding upon the Contractor as a condition of the Contractor’s participation in the LIHEAP, and as a condition of receipt of funds under the program, PROVIDED:

1. That such additional requirement shall be issued by LHC in writing in the form of “Notice LHP-XXXX-XX”;

2. That such additional requirements shall be issued by LHC in the most timely and expeditious manner practicable;

3. That such additional requirements shall be reasonably necessary to realize the purposes of the LIHEAP;

4. That major and material changes in the program and/or requirements which substantially affect the Contractor’s and/or LHC’s ability to fulfill their obligations or otherwise serve to create a substantial hardship on either the Contractor or LHC shall be subject to an amendment to this Agreement;

5. That the parties’ failure to execute a mutually acceptable amendment, as contemplated in paragraph D above, in a reasonable period of time, shall result in this Agreement being without force and effect, subject only to such provisions contained herein as are intended to survive the Agreement in accordance with the express and implied provisions of applicable federal and state law; and

6. That upon LHC’s good faith determination, delivered to the Contractor by written notice that an agreement between the parties to any necessary amendment as contemplated in paragraph 4 above cannot be reached, then this Agreement shall be “closed out” and the funds disposed in accordance with the established LHC procedure and policy and as required under federal and state law.

D. **Compliance.** All services and activities contemplated under this Agreement are to be provided in accordance with all applicable federal, state, and local laws and regulations, and as those laws and regulations may be amended from time to time, including but not limited to the following:

2. Louisiana Revised Statute 40:600.86, et seq.; and

E. Requirements, Standards and Guidelines. Contractor agrees to apply all of the requirements, standards, and guidelines contained the OMB Uniform Administrative Cost Principles and Audit Requirements, found at 45 CFR Part 75, as they may be amended from time to time, to all of the procurement, administrative, and other costs claimed under this Agreement, including those costs under subcontracts to this Agreement, notwithstanding any language contained in such authority that might otherwise exempt Contractor from their applicability. To the extent that the requirements, standards, or guidelines directly conflict with any state law or regulation, or any specific provision of this Agreement, then that law or regulation or provision shall apply instead. The above-referenced authority is incorporated herein to this Agreement by reference.

F. Catalog of Federal Domestic Assistance Number. This award is made available through the United States Department of Health and Human Services ("DHHS") Low-Income Home Energy Assistance Program. The Catalog of Federal Domestic Assistance Number for LIHEAP is 93.568.

II. BUDGET DETAIL AND PAYMENT PROVISIONS

A. LHC Budget Contingency

1. It is mutually agreed that if the LIHEAP State Plan of the current year and/or any subsequent years covered under this Agreement does not appropriate sufficient funds for the program, this Agreement shall be of no further force and effect. In this event, the LHC shall have no liability to pay any funds whatsoever to Contractor or to furnish any other considerations under this Agreement and Contractor shall not be obligated to perform any provisions of this Agreement.

2. If funding for any fiscal year is reduced or deleted by the LIHEAP State Plan for purposes of this program, the LHC shall have the option to either cancel this Agreement with no liability occurring to the LHC, or offer an agreement amendment to Contractor to reflect the reduced amount.

B. Federal Budget Contingency

1. It is mutually understood between the parties that this Agreement may have been written for the mutual benefit of both parties before ascertaining the availability of congressional appropriation of funds, to avoid program and fiscal delays that would occur if this Agreement were executed after that determination was made.

2. This Agreement is valid and enforceable only if sufficient funds are made available to the LHC by the United States Government for each fiscal year for the purpose of this program. In addition, this Agreement is subject to any additional restrictions, limitations, or conditions enacted by the Congress or to any statute enacted by the Congress that may affect the provisions, terms, or funding of this Agreement in any manner.

3. The parties mutually agree that if the Congress does not appropriate sufficient funds for the program, this Agreement shall be amended to reflect any reduction in funds.
4. The LHC has the option to invalidate the Agreement under the 30-day cancellation clause or to amend the Agreement to reflect any reduction in funds.

5. The LHC shall authorize expenditures of funds under this Agreement based on the approved LIHEAP State Plan.

6. The LHC shall authorize expenditures of funds based on the yearly submission and approval of a cost allocation plan.

7. It is mutually agreed that if the Congress does not appropriate sufficient funds for this Program or appropriates additional funds, this Agreement shall be amended to reflect any decrease or increase in funds.

C. Budget Guidelines. Upon execution of this Agreement, Contractor shall submit a cost allocation plan, including an annual DHHS/LIHEAP Budget based on the Maximum Amount of this Agreement and in accordance with other applicable provisions of this Agreement.

D. Allowable Costs

1. Administrative Costs

a. General. Administrative costs shall not exceed seven (7%) of the total LIHEAP grant award.

b. Administrative Costs shall mean actual costs for auxiliary functions such as salaries, wages, workers' compensation, and fringe benefits for administrative staff, facilities, utilities, equipment, telephone, travel, accounting, auditing, monitoring assistance, office supplies, indirect rates, and like services necessary to sustain the direct effort involved in administering a grant program or an activity providing services to the grant program.

c. Both local governments and private, nonprofit corporations shall use the OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements, 45 CFR Part 75, as a guide for determining administrative costs along with Louisiana Notice LHP-2018-01.

d. Assurance 16 Costs. Administrative costs for Assurance 16 activities shall not exceed the budgeted amount for the program year as set forth in the corresponding State Plan. Administrative costs for Assurance 16 activities must be counted toward the ten percent (10%) administrative limit allowed on federal programs. The Grantee may use these funds for planning and administering the Low Income Home Energy Assistance Program (LIHEAP).

2. Program Support Costs

a. General. Program Support costs are actual costs that are non-administrative in nature and that are directly attributable to the performance of this Agreement and that are reasonable and necessary as determined by LHC for the purpose of delivering services.
b. Program Support Costs shall mean actual, direct costs of providing program services which are not strictly associated with intake and eligibility determination, such as salaries and benefits for staff providing direct program services and the direct costs associated with providing the services, costs associated with program outreach, screening and assessments, referrals to other agencies, case work in response to a household's energy emergency, and like services that are non-administrative in nature but are for activities directly related to outreach, information resource and referral, case management and crisis services necessary to deliver services of the grant program.

3. Assurance 16 Costs

a. General. Assurance 16 activities shall not exceed the budgeted amount for the program year as set forth in the corresponding State Plan and include those actual costs that are directly attributable to the performance of this Agreement and that are reasonable and necessary as determined by the LHC for the purpose of delivering services.

b. Assurance 16 costs shall mean costs associated with activities which support providing direct services to the eligible participant including such items as client education, energy conservation activities and education, needs assessments, budget counseling, assistance with energy vendors, and reporting regarding such activities.

E. Reimbursement Guidelines

1. Claims for Reimbursement. Pursuant to the federal block grant and applicable regulations, Contractor may only claim reimbursements for actual, allowable, and allocable direct and indirect costs.

F. Reporting Requirements

1. Federal Funding Accountability and Transparency Act Reporting ("FFATA"). LHC may issue guidance and/or amendments to this Agreement, establishing additional reporting requirements as may be necessary to ensure compliance with the Federal Funding Accountability and Transparency Act ("FFATA") or other federal and state regulations, as applicable.

2. Weekly/Monthly/Quarterly Reports

a. Contractor shall submit expenditures and activities by entry into the web-based, Hancock Energy Software System (HES) for client services and administrative, program support, and Assurance 16 cost reimbursements. Contractor shall submit a signed copy of the report to LHC via electronic mail for review and processing along with the appropriate invoices and supporting data electronically via HES.

b. Contractor shall produce and make available all records necessary for adequate verification of expenditures and activities submitted at the request of LHC.
c. All adjustments, if any, must be reported through HES under the report period in which the expenditures occurred.

d. Weekly reports for client services should be submitted to LHC by Tuesday of the subsequent week, irrespective of the level of activity or amount of the expenditures in the preceding period.

e. Monthly reimbursement requests for administrative, program support, and Assurance 16 expenditures should be submitted to LHC by the seventh (7th) day of the subsequent month (or next business day following the 7th day) for the previous month.

f. LHC shall disburse administrative, program support, and Assurance 16 reimbursement requests to the statewide contractors within fifteen (15) business days after receipt of an accurate, signed report.

g. LHC will make payments directly to the vendors who have submitted the W-9 form and have a signed Vendor Agreement with LHC via electronic transfer or paper check, based on the process the vendor has elected. This shall be done within fifteen (15) business days after receipt of an accurate, signed report for client services from the Contractor.

h. LHC will make payment to the Contractor on behalf of the vendor for those who have not submitted the W-9 form and a signed Vendor Agreement to LHC within ten (10) business days after receipt of an accurate, signed report for client services from the Contractor. The Contractor will be responsible for paying the vendors directly.

3. **LHC Review.** LHC shall review annually the Contractor’s reimbursement/activity reports and evaluate Contractor’s performance related to program and fiscal operations and its demonstrated ability to effectively utilize all funds available under this Agreement. Such evaluation shall also be based upon timely receipt of the required reports and/or compliance with material requirements of this Agreement.

4. **Refunds.** Any refund checks collected shall be returned to LHC by the 10th day of the subsequent month. Contractor shall identify the customer’s name, address, and benefit amount returned. Refund information shall be submitted on the Vendor Refund Report (attached to this Agreement as **Attachment B**).

5. **Close-out Report.** Contractor shall submit a close-out report, verifying all actual, allowable, and allocable costs earned during the term of this Agreement. Administrative costs, outreach, intake, and training and technical assistance shall not exceed the maximum allowable amounts. Administrative, program support, and Assurance 16 costs shall remain proportionate to the cumulative allowable program expenditures. Any administrative, program support, and Assurance 16 costs that exceed these limits shall be disallowed and returned to LHC within thirty (30) calendar days after expiration of this Agreement. The final close-out report shall include the documents listed on the LIHEAP Closeout Checklist (attached to this Agreement as **Attachment C**), signed by the authorized representative of the Contractor. The Contractor’s obligations to LHC under this Agreement shall not terminate.
until all closeout requirements are completed to the satisfaction of LHC. Such requirements shall include without limitation, submitting final report to LHC and providing any closeout related information requested by LHC by the deadlines specified by LHC. This provision shall survive the expiration or termination of this Agreement.

III. ASSURANCE 16 ACTIVITY GUIDELINES

Assurance 16 program funds shall be used for such services, including needs assessment, client education and budget counseling, outreach, energy efficiency education materials, referrals to the Weatherization Assistance Program, and coordination with utility companies, that encourage and enable households to reduce their home energy needs and thereby the need for energy assistance. These funds may not be used to identify, develop, and/or demonstrate leveraging programs.

A. Client Education/Budget Counseling. Contractor shall provide to all recipients of energy assistance under this Agreement applicable energy conservation information and budget counseling in accordance with the Contractor’s approved plan. Contractor shall include at least the following:

1. Information to the client regarding the importance of applying for energy assistance prior to being in an arrearage situation and to include information concerning various utility company budget payment plan(s) and other forms of energy assistance offered within the State.

2. Written information that describes energy-saving behavioral adjustments that will decrease the energy consumption of the household.

3. Resource information, referral, family, and budget counseling in order to assist clients in achieving self-sufficiency.

B. Coordination. Contractor shall refer all potentially eligible applicants to the LIHEAP Weatherization Program or other energy or conservation programs. Contractor shall coordinate its activities with other federal, state or local energy conservation programs with the goal of conserving energy, improving thermal efficiency, or defraying energy costs of low-income households.

C. Assurance 16 Proposal

1. Contractor shall submit an annual Assurance 16 proposal to LHC with the signed contract. The Assurance 16 proposal is intended to systematize the gathering of planning information to assist LHC with its obligations under federal statute to provide programmatic assurances to the Secretary of the U.S. Department of Health and Human Services under the LIHEAP block grant and to enable the Contractor to plan and propose an annual budget that is consistent with the purposes of the LIHEAP and reflective of the needs of the local low-income population.

2. LHC will review the annual Assurance 16 proposal to ensure compliance with federal and state laws and departmental requirements. If the Assurance 16 proposal documents do not provide
reasonable demonstration that the Contractor’s services and activities are in compliance with federal and state law governing the LIHEAP block grant, LHC will ask Contractor to supplement response or documents accordingly prior to execution of this Agreement.

3. LHC’s approval of the Assurance 16 proposal documents submitted by Contractor shall not be construed as prior approval of any costs expended under this Agreement. The approval of all expenditures remains subject to the federal requirements that the actual costs are allowable and allocable pursuant to all laws, regulations, and this Agreement.

IV. SPECIAL TERMS AND CONDITIONS

A. Conflict of Interest

1. Contractor certifies that its employees and the officers of its governing body shall avoid any actual or potential conflicts of interest and that no officer or employee who exercises any functions or responsibilities in connection with this Agreement shall have any personal financial interest or benefit that either directly or indirectly arises from this Agreement.

2. Contractor shall establish safeguards to prohibit its employees, officers, and any and all subgrantee’s/subcontractor’s employees and officers from using their positions for a purpose that could result in private gain or that gives the appearance of being motivated for private gain for themselves or others, particularly those with whom they have family, business, or other ties.

3. Such safeguards shall be provided to the LHC during the time of monitoring or made available upon request, and such safeguards shall be consistent with 2 CFR Part 200.112 “Conflict of Interest” and 2 CFR Part 200.113 “Mandatory Disclosure”. Pursuant to 2 CFR Part 200.112 “Conflict of Interest” and 200.113 “Mandatory Disclosure”, Contractor shall ensure that subgrantees and subcontractors do not provide LIHEAP services or activities to beneficiaries where there is an actual or perceived conflict of interest, unless LHC has provided prior written approval of: (a) Contractor’s conflict of interest policies and procedures, or (b) any individual service or activity that presents an actual or perceived conflict including, but not limited to:

   a. Providing program services to Contractor’s or subgrantee’s/subcontractor’s employees, officers, or other persons or entities with whom Contractor’s employees or officers have family, business, or other ties; and

   b. Providing program services to owner-occupied or rental dwellings that are owned or managed by the Contractor’s, subgrantee’s or subcontractor’s employees or officers.

4. To obtain prior written approval by LHC, Contractor must demonstrate that it will:

   a. Follow all regular eligibility and prioritization requirements of the federal and state LIHEAP programs, as applicable to each service or activity;

   b. Comply with all eligibility requirements of the LIHEAP program and this Agreement;
c. Consent to any further conditions if required by LHC. Failure to obtain prior written approval by LHC will result in costs being disallowed.

B. Codes of Conduct

1. Contractor shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts or subcontracts. No employee, officer, or agent of the Contractor shall participate in the selection, award, or administration of a subcontract supported by federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization that employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the Contractor shall neither solicit nor accept gratuities, favors, or anything of monetary value from subcontractors or parties to sub-agreements. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the recipients.

2. Contractor shall not pay federal funds received from LHC to any entity in which it (or one of its employees, officers, or agents, any member of his or her immediate family, his or her partner, or an organization that employs or is about to employ any of the parties indicated herein) has an interest. Similarly, Contractor shall not subcontract with an entity that employs or is about to employ any person with a conflict of interest as defined in 45 CFR Part 75 or 2 CFR Part 200.

C. Board Roster, Bylaws, Resolution, and Minutes

1. Upon execution of this Agreement, Contractor shall submit to LHC a current roster of members of its governing board’s Executive Committee, including contact information for each Committee member at a location other than the Contractor’s office, and the most recent version of the organizational bylaws.

2. Contractor’s governing board must authorize the execution of this Agreement. Contractor has the option of demonstrating such authority by direct signature by a Board member, or by any lawful delegation of such authority that is consistent with Contractor’s bylaws.

3. Where Contractor elects to delegate the signing authority to the chief executive officer, LHC will accept either a resolution specific to this Agreement or a resolution passed by the governing board that is more generally applicable to the LHC Energy Program. Either a specific or current general resolution must be on file with LHC prior to finally executing this Agreement.

4. Contractor shall submit to LHC the minutes from regularly scheduled meetings of the governing board no later than thirty (30) days after the minutes are approved from any meeting where matters relating to this Agreement are heard, including but not limited to discussions about or decisions affecting the Low-Income Home Energy Assistance Program.
D. **Auditing Standards.** Contractor must follow all audit requirements as set forth in this Agreement, including but not limited to the OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements (45 CFR Part 75 and 2 CFR 200.512).

E. **Audit Reports.**

1. Funds provided under this Agreement shall be included in an audit conducted in accordance with the provisions of the OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements (45 CFR Part 75 and 2 CFR 200.512), standards promulgated by the American Institute of Certified Public Accountants ("AICPA"), and those standards included in "Government Accounting Standards, 2007 Revision, as amended."

2. If Contractor expends $750,000 or more in federal funds annually, Contractor is required to obtain a single or program-specific audit. Contractor shall inform the Corporation within thirty (30) days after the end of Contractor’s first fiscal year whether or not a single audit is to be performed. If a single audit is expected, then the Contractor shall send the Corporation a copy of the engagement letter. The audit shall be conducted in accordance with generally accepted auditing standards contained in the Governmental Auditing Standards-Standard for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the United States General Accounting Office, Single Audit Amendments of 1996 (Public Law 104-156), the provisions as specified in 2 CFR Part 200 Subpart F, Audit Requirements, 45 CFR Part 75 Subpart F, Audit Requirements, and any other applicable State and/or Federal regulations. All reports and engagement letters are to be forwarded to the Louisiana Housing Corporation.

3. If the cost of the audit is to be recovered through this Agreement, the audit engagement letter prepared by the Certified Public Accountant performing the audit shall include a budget showing the portion of cost allocated to each program/contract.

4. If Contractor expends less than $750,000 per year in federal funds, Contractor shall follow the compliance/attestation guidance offered in the Louisiana Governmental Audit Guide (revised January 22, 2015) pertaining to quasi-public entities, as prepared by the Louisiana Society of Certified Public Accountants to complete the audit.

5. In accordance with 2 CFR 200.512 and 45 CFR Part 75.512, contractors must submit to LHC one copy of the required audit report(s), and any management letter if issued by the accountant, within the earlier of 30 calendar days after receipt of the auditor’s report(s), or nine months after the end of the audit period. If the due date falls on a Saturday, Sunday, or Federal holiday, the reporting package is due the next business day.

   If the Contractor’s independent auditor is unable to meet this deadline, the Contractor shall submit to LHC a written request for an extension, which includes a copy of a letter from the independent auditor explaining the anticipated delay. LHC may grant an extension not to exceed thirty (30) calendar days from the original due date.

6. The financial and compliance audit report shall contain the following supplementary financial information: a combined statement of revenue and expenditures that presents, by budget
line item, revenue and expenditures for the audit period and a description of the methodology used to allocate and claim indirect costs and any administrative cost pools.

7. The audit report must specifically mention that a review for compliance with the OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements, 45 CFR Part 75, was conducted. In the event an audit required under this section has not been submitted in a timely fashion, LHC may at its option impose sanctions as provided in the OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements, 45 CFR Part 75.505, at a minimum:

a. Withholding a percentage of federal awards until the audit is completed satisfactorily;

b. Withholding or disallowing overhead costs;

c. Suspending federal awards until the audit is conducted; or

d. Terminating the federal award.

V. SUBCONTRACTS

All subcontracts entered into to perform the direct services covered under this Agreement shall comply with all terms, conditions, assurances, and certifications of this Agreement and requirements as provided for and described in the State Plan. Prior to the commencement of subcontracted services under this Agreement, Contractor shall obtain board approval, to include but not be limited to an assurance that the subgrantee and/or subcontractor agreements shall comply with all terms, conditions, assurances, and certifications of this Agreement for the nonprofit and local governmental agencies performing services.

A. Contractor shall provide copies of all contracts to the LHC within thirty (30) days of execution of each subgrantee and/or subcontractor agreement. The agreement should include the name of the subcontractor entity, its address, telephone number, contact person, contract amount, and description of each subgrantee and/or subcontractor activity to be performed under the Agreement.

This written notification shall also include a certification that to the best of Contractor’s knowledge, the subgrantee or subcontractor is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transaction by any federal department or agency. For purposes of this certification of subgrantee’s/subcontractor’s eligibility, Contractor may rely on information provided via the System for Award Management (SAM), available at https://www.sam.gov.

B. If LHC determines that Contractor has executed a subcontract with an individual or entity listed as debarred, suspended or otherwise ineligible on SAM.gov as of the effective date of the subcontract, costs Contractor has incurred under the subcontract may be disallowed.

C. Contractor remains responsible to substantiate the allowable and allocable use of all funds under this Agreement and to adopt fiscal control and accounting procedures sufficient to permit the
tracing of funds paid to any subgrantee or subcontractor to a level of expenditure adequate to establish that such funds have not been used in violation of this Agreement. Contractor shall ensure that any subcontracts under this Agreement contain all provisions necessary to ensure adequate substantiation and controls of the expenditure of such funds. Contractor may achieve this through detailed invoices, by periodic monitoring of subgrantee’s or subcontractor’s program activities and fiscal accountability, by retaining a right of reasonable access to the subcontractor’s books and records, or by any other method sufficient to meet Contractor’s responsibility to substantiate costs required by the OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements, 45 CFR Part 75.

D. Contractor shall immediately notify subgrantee(s)/subcontractor(s) in writing within five (5) days of such action in the event the LHC suspends, terminates, and/or makes changes to the services to be performed under this Agreement.

E. Contractor is the responsible party and shall remain liable for the performance of the terms, conditions, assurances, and certifications of this Agreement, without recourse to the State, regarding the settlement and satisfaction of all contractual and administrative issues arising out of subcontract agreement(s) entered into in support of this Agreement, including disputes, claims, or other matters of a contractual nature as well as civil liability arising out of negligence or intentional misconduct of the subcontract(s).

F. Nothing contained in this Agreement or otherwise shall create any contractual relation between the LHC and any subgrantees/subcontractors, and no subcontract shall relieve the Contractor of its responsibilities and obligations hereunder. The Contractor’s obligation to pay its subgrantees/subcontractors is an independent obligation from the LHC’s obligation to make payments to the Contractor. As a result, the LHC shall have no obligation to pay or to enforce the payment of any moneys to any subgrantee/subcontractor.

VI. INSURANCE

The Contractor shall purchase and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Contractor, its agents, representatives, employees or subcontractors.

A. Minimum Scope and Limits of Insurance

1. Workers Compensation. Workers Compensation insurance shall be in compliance with the Workers Compensation law of the state of the Contractor’s headquarters. Employers Liability is included with a minimum limit of $1,000,000 per accident/per disease/per employee. 2. Commercial General Liability. Commercial General Liability insurance, including Personal and Advertising Injury Liability and Products and Completed Operations, shall have a minimum limit per occurrence of $1,000,000 and a minimum general annual aggregate of $2,000,000. It shall provide coverage for the duration of this Contract and shall have an expiration date no earlier than 30 days after the anticipated completion of the Contract. The policy shall provide an extended reporting period of at least 24 months, with full reinstatement of limits, from the expiration date of the policy, if policy is not renewed.

5. Cyber Liability. Cyber liability insurance, including first-party costs, due to an electronic breach that compromises the state’s confidential data shall have a minimum limit per occurrence of $1,000,000.

B. Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions must be declared to and accepted by the Corporation. The Contractor shall be responsible for all deductibles and self-insured retentions.

C. Other Insurance Provisions. The policies are to contain, or be endorsed to contain, the following provisions:

The coverage shall contain no special limitations on the scope of protection afforded to the Corporation.
   b. The Contractor’s insurance shall be primary as respects the Corporation, its officers, agents, employees and volunteers for any and all losses that occur under the Contract. Any insurance or self-insurance maintained by the Corporation shall be excess and non-contributory of the Contractor’s insurance.
2. Workers Compensation and Employers Liability Coverage. To the fullest extent allowed by law, the insurer shall agree to waive all rights of subrogation against the Corporation, its officers, agents, employees and volunteers for losses arising from work performed by the Contractor for the Corporation.

It shall provide coverage for the duration of this Contract and shall have an expiration date no earlier than 30 days after the anticipated completion of the Contract. The policy shall provide an extended reporting period of not less than 24 months from the expiration date of the policy, if the policy is not renewed. The policy shall not be cancelled for any reason, except non-payment of premium.

If at any time an insurer issuing any such policy does not meet the minimum A.M. Best rating, the Other Party shall obtain a policy with an insurer that meets the A.M. Best rating and shall submit another Certificate of Insurance within 30 days. Upon failure of the Other Party to furnish, deliver and maintain such insurance as above provided, this Contract, at the election of the Agency, may be suspended, discontinued or terminated. Failure of the Other Party to purchase and/or maintain any required insurance shall not relieve the Other Party from any liability or indemnification under the Contract.

4. All Coverages

a. All policies must be endorsed to require 30 days written notice of cancellation to the Corporation. Ten (10) day written notice of cancellation is acceptable for non-payment of premium. Notifications shall comply with the standard cancellation provisions in the Contractor’s policy. In addition, Contractor is required to notify Corporation of policy cancellations or reductions in limits.

b. The acceptance of the completed work, payment, failure of the Corporation to require proof of compliance, or Corporation’s acceptance of a non-compliant certificate of insurance shall not release the Contractor from the obligations of the insurance requirements or indemnification agreement.

c. The insurance companies issuing the policies shall have no recourse against the Corporation for payment of premiums or for assessments under any form of the policies.

d. Any failure of the Contractor to comply with reporting provisions of the policy shall not affect coverage provided to the Corporation, its officers, agents, employees and volunteers.
D. Acceptability of Insurers

1. All required insurance shall be provided by a company or companies lawfully authorized to do business in the jurisdiction in which the project is located. Insurance shall be placed with insurers with an A.M. Best’s rating of A-:VI or higher. This rating requirement may be waived for workers compensation coverage only.
