POWERS OF THE BOARD TO GRANT VARIANCES/APPEALS

The St. Tammany Parish Board of Adjustment is limited in its power to grant variance/appeal requests as mandated by State and Parish Law. The board must consider the following in order to determine if a variance/appeal is eligible for granting:

1. *Is the variance/appeal request self-imposed?*  
   Variances/appeals may not be granted by the board if the request is considered a “personal preference”.

2. *Does the variance/appeal request constitute a financial hardship?*  
   Variances/appeals may not be granted by the board if the request is considered strictly a financial hardship.

3. *Does the variance/appeal request present a practical difficulty or unnecessary hardship?*  
   If the applicant can prove through testimony and presentation of factual documentation and/or evidence to the board that a practical difficulty or unnecessary hardship would be imposed if a variance/appeal was not granted, then the board may consider granting the variance/appeal request.

4. *Does the variance/appeal request impose an adverse effect on the adjacent neighbor’s property or surrounding neighborhood?*  
   If the variance/appeal request adversely effects an adjacent property owner and/or the surrounding neighborhood in general, and testimony is forthcoming from same that can be proven within reason that an adverse effect would be imposed, the board may decide not to grant the applicant’s variance/appeal request.

5. *Will the granting of the variance/appeal request constitute establishing a precedent?*  
   The board may deny the granting of a variance/appeal request which may result in the establishment of a dangerous or unfavorable precedent to the parish.
