2.1 Scope of work/Services

The Contractor must provide all labor, equipment, tools, and materials necessary to improve by drainage by extending a gravity sewer pipe, which would require removing and replacing pipe, adding slope paving, catch basin, and removing and replacing gate and fence material, as specified along S Shady Ln (R09G070) Section 48 Township 9S Range 14E.

The time period for completion of the project is thirty (30) calendar days from Notice to Proceed + Calculated Rain Days as per attached Specifications.

A Quote Guarantee is not required for this project.

Any work that may be reasonably inferred from the specifications or drawings as being required to produce the intended result shall be supplied whether or not it is specifically called for. Work, materials or equipment described herein which so applied to this project are covered by a well-known technical meaning or specification shall be deemed to be governed by such recognized standards unless specifically excluded.
