

"This is only the scope of work for the project. For more information, interested parties should contact Procurement at purchasing@stp.gov to ensure receipt of a full project package, to be listed as a plan holder and to ensure any addenda to the project package are received."

Prices remain in effect through December 31, 2018, with option to extend for (1) one additional year, by written agreement of both parties. Any delivery or service charge must be included in the bid price. Quantities may vary; minimum orders shall not be required. St. Tammany Parish Government (Parish) reserves the right to award materials in whole, in part and/or to multiple vendors. Bids must be submitted on the Pricing Sheet provided. **All fields must be filled in, NO blanks will be permitted. If the item is unavailable please enter N/A.**

The Parish, as a function of Tammany Utilities, owns and operates approximately fifty (50) wastewater treatment plants, forty (40) water wells, and over two-hundred (200) sewage lift stations, water distribution lines and sewage collection lines. Tammany Utilities, therefore, routinely requires submersible pumps primarily for sewage lift stations.
