

"This is only the scope of work for the project. For more information, interested parties should contact Procurement at [purchasing@stp.gov.org](mailto:purchasing@stp.gov) to ensure receipt of a full project package, to be listed as a plan holder and to ensure any addenda to the project package are received."

The seven NAMI Homes at the Safe Haven Campus in Mandeville, Louisiana have overhead electric service and are not individually metered. The work will convert the electrical service to underground electric service, cut and cap existing weather heads etc., and install new conduit from electrical poles to the homes, install new meter pans, and connect the electrical service. The work includes coordination with CLECO and the Parish.

All work shall be completed per the CLECO Service Standards October 2017 Edition or later (<https://www.cleco.com/-/electric-service-standards>), all applicable local, state, federal codes and "Attachment A".

A non-mandatory Pre-Quote Conference shall be held per Section 5.3.1.

The contract term shall be sixty (60) calendar day from the issuance of the Notice to Proceed (NTP).

All supervision, labor, equipment, materials, supplies, permits, utility coordination etc. required to complete the work shall be included in the lump sum quote.

A Quote Guarantee **is not** required for this project.

Any work that may be reasonably inferred from the specifications or drawings as being required to produce the intended result shall be supplied whether or not it is specifically called for. Work, materials or equipment described herein which so applied to this project are covered by a well-known technical meaning or specification shall be deemed to be governed by such recognized standards unless specifically excluded.
