

# Funding

St. Tammany Parish received close to 1.1 million in CDBG funds for 2008-2009. The US Department of Housing & Urban Development (HUD) uses a formula based on population of low income persons and the age and quality of the housing stock to determine annual funding.

# What is CDBG?

The Community Development Block Grant (CDBG) program is a flexible program that provides communities with resources to address a wide range of unique community development needs. Beginning in 1974, the CDBG program is one of the longest continuously run programs at the US Department of Housing & Urban Development (HUD).
